In business for over 18 years, Clean Solutions, Inc. is Arkansas' premier janitorial products, cleaning equipment, commercial laundry, and commercial warewash supply outlet. Specializing in total facility solutions, Clean Solutions, Inc. can cover your supply chain from tissue and trash can liners to commercial dish and laundry products and automated chemical dispensing systems. Clean Solutions, Inc. proudly sells quality products from Hillyard, TomCat, Nilfisk Advance, Inteplast, Cascades, and many others. With factory trained service technicians, our service department is second to none. Clean Solutions is also a pioneer in offering intuitive facility services management software and we offer a full line of "Green Certified" cleaning products. Clean Solutions strives to offer the best products the best service and the best price available anywhere.
