

# Transform common areas into go-to destinations

Bring residents together to socialize and build camaraderie with effectively designed common areas. We understand the unique needs of Senior Living and develop contract-grade furniture designed specifically to meet the demands of your community. All our upholstered collections meet CA #117 requirements and are available in commercial-grade fabrics featuring superior durability as well as moisture-barrier and stain-resistant options. Many of our collections feature removable cushions with drop-through or moisture-barrier seat decking for ultra-easy cleaning. Buy with confidence knowing our entire furniture selection is backed by commercial-grade warranties and that our dedication to your complete satisfaction is guaranteed.

Transitional

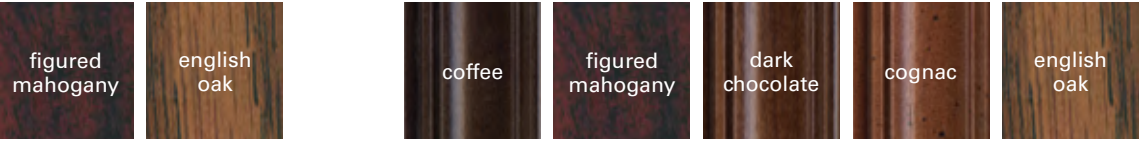

# Santiago Collection

Clean-line transitional design works well in a variety of settings. High-resilience seat foam combined with 8-gauge sinuous springs offers lasting comfort and durability. Frames are constructed of hardwood, softwood and engineered wood products with super-strong joints that are pinned and glued for uniformity and strength. Moisture-barrier seat decking allows for easier cleaning. Extended seat depth accommodates residents with higher mobility. Sofa, Love Seat and Lounge Chair are available in figured mahogany and english oak finish only; High Back Chair is available in additional finish options shown on facing page. 3-year limited warranty. Meets CA #117.
